

Language Centre English Seminar

Python Seminar

Presented by

Mr. Martin Chin

Date: 30 April 2018 (Monday)
Time: 3:30 – 5:00 p.m.
Venue: OEW706, 7/F, OEN Hall Building (West)
Ho Sin Hang Campus,
Hong Kong Baptist University

Abstract

The focus of the seminar will be on introducing and explaining the way of using one of the most popular and best performing programming languages, Python. The seminar will demonstrate what Python is able to do for linguistic applications from basic to advanced levels.

Bio-data

Martin Chin is a psychology graduate and a Python instructor. Martin has been developing his career in software engineering and data science. He is an expert in the field of data extraction, web scraping and machine learning.
