

English With a Disciplinary Focus

Deadline Fighters

Help you aim for high-quality assignment performance in your own disciplines.

The language centre will provide tailor-made feedback files within three days and group/individual consultation service to help deadline fighters with their assignment writing:

- To help you overcome writer's block
- To develop audience awareness
- To help you organise your ideas more coherently

To get started, please fill in your contact information and upload your assignment draft here:
